INDUSTRIAL LUBRICANTS

We are Authorised Distributor of “Tribo Industries” which is a leading Indian specialty greases and lubricant manufacturing company. Our portfolio consists of more than 200 types of specialized greases and lubricants catering to the critical needs of steel making industries.

Ceramic Tape

ELECTROMAGNETIC BRAKES & CLUTCHES

We are Authorised Distributor of Intorq India Pvt. Ltd, principal company
“KENDRION INTORQ GmbH”

It has worldwide presence comprises of 9 countries and 19 locations across Europe to the Americas and Asia.

KENDRION & INTORQ spring-applied brakes impress with high permissible braking energies, high torques and wear resistance.

They offer diverse integration and installation options and are therefore predestined for use in servo and geared motors, robotics and automation, elevators, hoists, wind turbines, conveyor systems, medical technology and many other applications. In addition to standard catalog brakes.

Kendrion also offers customer-specific brake solutions and supports its customers in selecting a suitable brake solution.
